

More Than a Checkbox. More than Numbers.

Compliant, compelling illustrations are at your fingertips. FireLight® sales illustrations turns numbers into visual stories clients can understand.

Display the value of your product with custom branding and rich graphic design and give your advisors and clients what they need.

FireLight sales illustrations offers...

- ✓ Any line of business, all product types
- ✓ Single and multi-carrier solution
- ✓ Individual new business
- ✓ Compliant and compelling illustrations
- ✓ Product, needs and goal-based selling
- ✓ Branded output
- ✓ Product information

Enjoy better policy presentations that show product features and benefits.

FireLight sales illustrations offers

- ✓ Consistent experience across products and carriers
- ✓ Multiple user experience options
- ✓ Connected data throughout the sales process
- ✓ Multiple calculation engine implementation options
- ✓ Single code base for online and mobile access
- ✓ Comprehensive self-management and testing

Why Hexure

At Hexure we believe in a digital future where consumers can buy financial and insurance products with ease from anywhere at any time.

Our innovative, customer-centric sales experiences enable advisors to spend less time processing and more time selling.

Join us in building the digital landscape of the insurance and financial services industry.

See how you can enable your story!
